You may not be sick in bed, but you have not the health and strength you used to have. Your nerves are shattered. You are failing. Your health is wasting. You are sinking to despair because common doctors and patent medicines have failed you. Many drowning sufferers like you are grasping at straws, worthless medicines. Let others grasp at straws, but you, dear reader, take courage, we know just how you feel and we can treat you.

THIS IS THE WAY YOU FEEL.

There is usually pain across the small of your back, blue rings around your eyes, specks before your eyes, your sleep does not rest you, you get up in the morning feeling tired, bad dreams, your mind at times wanders, your memory is poor, you are hollow-eyed, whites of your eyes are yellow, you are fearful, always expecting the worst to happen, very nervous, stinging pain in the breast, no appetite, tongue coated, etc.

If you have been unfortunate in selecting a doctor to treat you, or if you have not given yourself the attention which your disease demands, you know that every day you put the matter off you are getting worse and worse; you are mortified and ashamed of your position among your fellow men; life does not possess the pleasure for you it did. Would you not give much to possess that ROBUST HEALTH, SOUND NERVES and a CLEAR BRAIN that were yours before the ravages of disease attacked your system? If you have this desire to be strong and well, call at our office and we will take pleasure in explaining the treatment that has restored hundreds of men, many of whom were perhaps in a much worse condition than you are.

GOOD — BETTER — STILL BETTER — BEST

That's our record as evidenced by the following victories in Gregg Shorthand Contests:
1. Won "**Highest Honors in America**" in 1918 in a Teachers' Contest — over 2,000 contestants.—That's good.
2. Won "**Highest Honors in America**" in 1923 in a Students' Club Contest — 300 schools competed.—That's better.
3. Won "**Highest Honors in the World**" in 1924 in a Students' Individual Contest — nearly 8,000 contestants.—That's better still.
4. Won "**Highest Honors in the World**" in 1925 in a Teachers' Blackboard Contest.—That's best of all.
